Dear Students and Parents:

We have had a wonderful school year complete with three amazing recitals! Looking ahead we have been busy planning our summer schedule and recital at Main Stage Studios.

We will be hosting our annual **Summer Recital on Wednesday, August 7 at 6pm at the Theodore Roosevelt Inaugural National Historic Site**. Recital sign-up sheets and summer lesson time request forms will be available May 28! We are also planning on offering a Masterclass Series throughout the summer/early fall. We will announce the dates, details and our guest educators soon.

Our studio has continued to grow steadily since opening in 2011 and we are looking forward to the future and all the exciting things to come! We want to continue to provide our students with the highest level of music education in our community by providing the best teachers, tools and access to sheet music at a minimum cost.

In order to do so, we will have our first price increase in six years. Our private lesson rates will be as follows starting on July 1, 2019:

- 30 minutes - \$33
- 45-minutes - \$45
- 60-minutes - \$50

It is our goal to provide all students with quality music lessons and keep lessons affordable for families and students. As always please do not hesitate to contact me at the phone number or e-mail below if you have any questions.

Please keep in mind that our studio offers private instruction in voice, piano, guitar and acting! Let us know if you would like to try or add a new type of lesson to this summer's schedule.

We are so appreciative of all the support we receive from our students and families. We are excited for the future of our studio as we continue to provide quality music education to our community and beyond!

Sincerely,

Leah Wietig
